TO FREEDOM

A Monthly Journal Devoted to Individual Unfoldment, Contact with The Great White Brotherhood and Cooperative World Service

Volume II January, 1954 No. 10

A Holy, Happy, Harmonious New Year

To Our Gentle Readers

Through the mercy of Life, every individual stands at the threshhold of a New Opportunity, as the twelve month cycle of 1954 sends its initial pulsation through the Divine Thought Form embodying the Will of God for the evolutions that call our earth "Home." The destructively qualified karma of 1953 has been mitigated and expiated through the compassion and mercy of the Cosmic Law, and before each lifestream the Angel of Record holds a brand new volume of the Book of Life. Every page is clean and hopeful, awaiting the energy of the individual who will write thereon the pattern of his thoughts, feelings and activities from day to day!

In the name of the Holy Christ Self of each one! In the name of the Great Sanat Kumara and the Great White Brotherhood! In the name of Life ITSELF, We decree that all your energies may be God-directed, harmoniously qualified and constantly utilized to fulfill your individual Divine Plan and a measure of the Cosmic Divine Plan as well!

LET 1954 see every soul in bondage—GOD FREE!

Excerpts of an Address given by BELOVED EL MORYA

AUGUST 1953

Do you remember those days at the Court of King Arthur, when we rode out from Camelot into the beautiful countryside and enjoyed the beauties and peace of nature, and how at the end of the day we would engage in the joustings and rough games of the times, which no doubt were unpleasant to the Great Host of Light Who tried to overshadow us that we might render a little service?

Looking back over the checkered history of My own lifestream, I learn that the things which gave me such pleasure in those long past days, and which now seem so unimportant, still give pleasure to the disciples and chelas whose hearts are as firmly bound to Truth as is Mine.

Before leaving Camelot we would send our seneschal to find a lovely spot close to a stream where we could enjoy comparative privacy from prying eyes. Then we would mount our fine horses and accompanied by the ladies dressed in their exquisite riding habits with long veils flying in the wind, we would enter deep into the heart of nature.

Often Merlin would accompany us (you know, of course, that He is now our Beloved Brother, Saint Germain). He was entrusted then with the honor of representing the Will of God to our consciousnesses. When he woud accompany the knights and ladies, we would all endeavor to be on our best behavior and while listening to the Wisdom which He had gleaned from contemplation and study of the Spiritual Law. We would resolve to incorporate it into our own consciousness as greater understanding, but he would no sooner be over the hill than the more energetic among us would be back at the joustings and the other rough pleasures of the day. . . . I remember well the beautiful silk pavilions and bright colors encrusted on the shields and crests of the knights. . . .

I might say to you in passing, that this new association between incarnate lifestreams and Ourselves has not only brought *Us* closer to *you,* but it has drawn Us much closer to Our Superiors and those exquisite Beings to Whom We apply for counsel and Who came into Our daily association only on the rarest occasions previously. So you see that the drawing in of the consciousness whereby unascended beings and Masters are united, is likewise drawing closer the Cosmic consciousness of those tremendous Intelligences Who, up to this time, worked almost entirely in the Nirvanic Planes.

We are, therefore, all grateful for this opportunity to be with you in this exquisite country (Colorado) where your karma has

allowed you to work out the individual experiences of your lives. . . . where there is so little of the human creation that clings to the individuals who are required to live in the great cities. By reason of the absence of that accumulation, your progress should be much more rapid, and I trust that it shall be.

In India where We have worked for countless centuries, although the inhabitants are crowded into unpleasant proximity one with another, the natural spiritual aura of the land is such that the evolution of the soul proceeds much more rapidly than here in the West.

There are many of you whom I have served and whom I have loved dearly for century after century, and it makes me happy to be able to speak with you again. May I thank you personally for the Inner perception by which you have measured Truth, refusing to allow the measure of another's consciousness to limit your service and our friendship and association, for you and those like you are the men and women upon whose heart flames We hope to build the foundation of the spiritual edifice which will cathedral the souls, not only of the embodied, but of all those waiting at the door of birth for an opportunity to wear again an earth garment, and find their mastery over energy through experience.

I would that every man, woman and child might stand in the Halls of Karma and witness the extreme care with which the souls are examined and one out of three given the privilege of taking an earth body—they would not then take so lightly their present incarnate form, nor so eagerly desire to be released from it. Through that door of birth all must pass until they attain mastery self-consciously, when they will immediately be cut free from the wheel of birth and death, coming home "to go out no more."

Just to live in "resignation" is an insult to your opportunities! When you say you have reached that phase of consciousness where you have become "resigned to the appearances and just make the best of things," you just allow human consciousness to limit your services. This planet swings heavily on her axis and the weight of even one soul's accumulation might be just the added impetus that would strike her from her base. It it thus that the lights and shadows of each soul who enters into embodiment are carefully examined at birth and again at the close of the life span when each one is released, for this is the schoolroom where we hopefully await the development and maturity of our disciples and chelas, insofar as the temptations of the outer world will allow.

Around the Council tables at Inner levels you will see the Masters sitting together with their disciples in the full freedom of their inner bodies, where they vow to accept certain responsibilities to forward the progress of this evolution. These are pushed forward through the Halls of Karma and given the opportunity

to reincarnate, which is ofttimes a favor far beyond their merit. Then, we just fold our celestial arms and await the *development* of the *flesh body* . . . the *maturity* of the *mind* . . . the *awakening* of the *soul* . . . at which time some temptation of the flesh usually carries them off into many wasted years of carnal living, through which the intensity of the light begins to dim and they come to a place where they lose interest in Our purpose!

We hope now that this condition is a thing of the past, because the Maha Sahib has opened the door by which we may reach your minds, your outer consciousness, your conscious selves! In this is our greatest hope, and in this is your greatest opportunity for conscious service!

I do not wish to bore you with details which perhaps would unduly concern the outer self, but I would like to show you the careful measurement of the energy that is allotted to Us by Karmic Law. The Lord Maitreya told you last evening of the rhythmic cycles whereby religions were instituted and brought to their peak, and of the incarnation of great beings through whom these Spiritual Currents could be drawn, whereby the greatest possible good for God and man could be effected in every age.

Now I will show you My Service in connection with that of the World Teacher. When the two thousand year cycle is opened, when the evolution of the entire race and all the souls therein are measured, the World Teacher devises a plan which can be incorporated into the worship of the masses, whereby the soul is fed and the Spiritual centers stimulated, in their endeavors to reach toward God. When this Plan is completed, the Teacher endeavors to obtain the assistance and service of certain lifestreams at Inner Realms who will carry the memory of that Divine Plan with them through their incarnation, project It upon the screen of Life, and interest certain lifestreams in the new endeavor. It is then MY service, as it was that of My predecessors, to find among incarnated egos as well as those awaiting embodiment, those souls strong enough to *grasp the Vision of the completed Plan* of the *God Will* for that age. In this way the incarnating teacher may lay the foundation of the religion in their nation, their continent, and their planet, thus utilizing the energy allotted Us by the Lords of Karma, the Sun of Our System, and the Great Cosmic Law.

It is exactly the same as if you were entering into business and were given a certain amount of money by a bank to invest—if you were wise, you would think well on how to make each dollar render the greatest possible service in the fulfillment of that plan.

We are given a certain amount of energy to forward a portion of the Divine Plan, and We can use all of it in the materialization of phenomena, hoping it might interest the minds of the people . . . or We can carefully spread it out, reaching into their respec-

tive consciousnesses through the services of evolved egos who choose to act as interpreters of Our thoughts, feelings and directions. This latter means of communication makes it possible for Us to render a greater and wider service. However, it all depends on the type of egos who are in embodiment and the *amount of cooperation they will give us,* which is the deciding factor in the amount of energy We can invest, and which will enable Us to conserve the initial grant, and, in some instances, increase it.

In the early days of Theosophy, when Kuthumi and I endeavored to interest the Western mind in the activities of the Higher Octaves, We spent a great portion of the energy allowed us by the Law in producing phenomena through Madame Blavatsky. Although We did obtain certain results, the final achievement did not show a balance for the tremendous amount of concentrated energy invested by Us in the precipitated letters to chelas, etc. Therefore, in this new endeavor WE, too, have benefited by past experience and are more cautious now in the investment of Our own energy, so that the greatest good can be effected, before the full manifestation of this endeavor is attained.

Through Our Beloved Saint Germain, the development of the consciousness of the student body opens another door to Our Cause, and the release of the energy of the students through decrees adds to our stock pile of dedicated energy. Would that you could understand more fully that of which I speak tonight, because every ounce of energy that I give you—even as I speak to your individual hearts—is invested in your lifestream by Me, and drawn from this Cosmic Grant. If it bears no fruit, *through some balance in service from your own life,* it is lost . . . consequently, there is that much less energy left for the World Cause. I hope you grasp My point!

I do not say this to give you a feeling of undue responsibility, but I do wish you to realize that Our association with mankind is primarily to *forward the Cause of World Freedom,* and this investment of Our energy in the potential service of your individual and collective lives to forward God's Divine Plan, is used in an endeavor to remove the human veil between the octave of Heaven and the octave of earth, where the souls of the Immortal God Selves have been imprisoned for countless centuries.

Beloved friends, I thank you for your presence in this universe . . . I am grateful that I stood at the door of the Halls of Karma when each one of you was called and given an opportunity to incarnate, and as each of you stood there I had the privilege and honor to stand Sponsor for your life. . . . This is one reason why you have been able to sense My vibration. I am your Godfather in every sense of the word, and as Godfather I am responsible for your Spiritual welfare.

I have the reputation of being rather a severe Teacher, but that is because I am so intent on God's Will, and perhaps some day some of you will be glad that I seem unduly emphatic. However, I assure you that I am endeavoring to soften My nature through the Love of our Beloved Holy Spirit.

As I said before, it is not so comfortable to have the name of the "fiercest" of the Sons of Heaven. Do you know that when the incarnated sons of Heaven are drawn before the Maha Chohan, most of them hope they will not get into *My* schoolroom? Yet now that I have come to the attention of the people of the Western World, My chelas are increasing and I have a goodly number, as compared with those of My more gentle Brothers . . . My Beloved Kuthumi has been a great help in softening the intensity of My onepointedness, and I am putting all My efforts now into the purpose of helping the "Shepherds" of the new day in their endeavors to assist Him in the education of the children of the race, that they may understand and live according to the Divine Plan.

So . . . remembering the days of Camelot and the joy and happiness we experienced in the Court of Arthur; remembering the Great Festivals in the Spring when the ladies wore garlands of May flowers in their hair, and the Feast of the Pentecost was celebrated with honor by ladies and gentlemen alike; when gentle country folk gathering together outside the castles to receive the blessings of Merlin through the Power of the Holy Spirit, I leave you with this remembrance . . . with the heartfelt hope that you may find peace and comfort in Our united efforts to bring in the Freedom of the New Day! I thank you.

Important Decree for *Daily* use During This 30-day Period

Thru the Beloved Presence of God, "I AM" in me, the Beloved Immortal Three-fold Flame of Eternal Truth within my heart, Holy Christ Selves of all mankind, the Ascended Masters and all Great Beings and Powers and Legions of Light, especially our beloved Master Morya—

I COMMAND (3) and "I AM," right now, this instant and forever, thru me and every member of this evolution, and the Angelic and Elemental Kingdom as well, whatever intensity of Power and Light is required to balance the gifts of instruction and illumination given to the outer consciousness of mankind at this time. Make and keep us all worthy of this great assistance and at all all times the Open Door thru which the Will of God may manifest!

Concentrate and consecrate the energies thru all our bodies to command and compel the Divine Plan fulfilled. Intensify and expand without limit the sincere interest of those receving the benefit and blessing of Your counsel and association, so that each

one may return to life in loving impersonal service at least ten times more God qualified energy than was originally invested in opening the Spiritual Door to the Ascended Masters' Octave, sustained and expanded forever. So be it!

Excerpts from an Address by BELOVED EL MORYA on the Court of King Arthur

April 1953

Beloved of the Light, I greet you! Fifteen hundred years have passed across the screen of Life since we sat all together around a table, and I endeavored in My limited consciousness to convey to you My dream, My vision, of a universal and a world brotherhood!

Ah! how easy seems the fulfillment of a vision when you stand in the freedom of your garments of Life and Light, and are not clothed round by the bands of forgetfulness and the heavy weight of flesh with its appetites, its passions, and its lust; when the atmosphere in which you witness the Glory of God and His design is filled only with the Oneness of harmonious purpose, and not with the variegated shadows that form the effluvia of the consciousness of mankind.

How often you have stood thus and looked upon some portion of the great Divine Scheme of ever-abiding perfection and you too, as I, have said "How beautiful, how simple, how easy of accomplishment!" Then filled with the hope of drawing into the substance of the earth the glory of the Kingdom of Heaven, you eagerly rushed toward Those Who waited to place you within a garment by which incarnation in this world might take place. Only in those years when the vision became clouded and the lifestreams who had so freely sworn to serve with you, caught in the meshes of their own karma, began to fall away, did you question within your hearts as to whether that mission was idle imagery of your own making or an Eternal Truth clothed in the clouds of your own karmic limitations. As the Court of Arthur grew, each knight swore by his own heartbeat and lifeblood to serve the Cause of Right.

You today, each one individually, love *"Right"* but the difficulty came in your interpretation of that which was *"Right,"* and soon My voice was lost amidst the tumultous shoutings of your own natures—for one thought it was *"right"* to destroy all that opposed good, even through the shedding of blood; another in defining *"Right"* believed it to be the forsaking of mankind and living within the confines of the hermitage; another found *"Right"* in family association—on and on ad infinitum, until the confusion grew to a point where I myself, as Arthur no longer knew which interpretation was *"Right"* according to God's code. In that life, if I learned no other thing, I learned that man shall swear not to serve anything but Divine Love, which can never be interpreted by human standards but only within the honesty of the inmost soul. So the days of Arthur passed and we all wended our way through the paths of life, meeting now and again, sometimes with a sense of remembrance, and ofttimes not even recognizing our closeness in the centuries that had been.

Again today we join together to serve the Cause of Love, and that Holy Grail which is the symbol of the individual consciousness each one of you has brought into this room. It is the Cup containing within It the shadows and the light that your soul has accumulated through the centuries. It is My Purpose to so purify each Cup by the melting away of the shadow, as you will permit Me, that when you raise It in communion with your own Christos, you may clearly, distinctly and always receive through that communion the direction of the moment; then moulding the substance of the Universal Light within that Grail, let It shine forth in Mastery over all conditions in which you move.

No longer shall the so-called "Elect" carry the Grail and the eyes of the profane be blinded to Its Light. Every consciousness that desires My assistance, desires to know the Will of God (for the planet, for the millions and millions of lives evolving upon it, and for their individual and selective progress) shall have My assistance! You, each one, shall become that Holy Grail, the Chalice from whence those who are yet seeking in darkness may drink of the substance of the Father in confidence and power, and drawing It into their nature through the very power of the contagion of Life and Love of God, become in themselves Grails through which their Divinity may pour the full gathered momentum of Its plan and purpose into externalized form.

"I Am" a Man of Action! Although "I Am" a product of the Eastern evolution, I have always been violently opposed to vision without accomplishment, and it is for this reason that I have been chosen presently to abide as the Representative of the Will of God for the people of earth; *but,* how in the Name of Heaven and all that is Holy shall the people of earth have the *fullness* of God's great Love and Design, if the "shepherds" themselves are not acquainted with the plan and purpose to which We have devoted Our lives and centuries after centuries of service?

I am endeavoring to draw back the curtain and allow those who choose to look upon the work of the Brotherhood—to open (to the minds of those willing to accept) the doorway into the Heart of the Universal Father. However, I bring grave responsibility with My gift, for vision without action draws karma that is not of benefit to the soul. So, although the impetuosity of My

THE MASTERS OF WISDOM SPEAK

MAHA CHOHAN

You will never know the fullness of comfort in your own feelings until you can at will direct the Flame and be the master control of the energy within and around you, according to the requirement of the hour. For comfort is manifold, my children, and each experience of your daily life will require of you a different activity in order to be a comfort to those you contact. In some, the requirement may be for peace of mind; in others, the comfort sought may be for the manifestation of supply; in others it may be in the melting of a creation of hate or confusion. All are the manifestations of comfort, but when you have learned to let your own Heart Flame, like an open Lotus, just conduct *My substance,* then whatever the requirement of your hour, *I will give you My momentum* and *thru you* will render the service.

EL MORYA

Will you please take your stand against releasing criticism in thought, feeling or spoken word? You see, it makes the purification and cleansing of the earthplane an endless task, if those who *know* that energy acts according to their qualification of it still continue to pour it forth qualified imperfectly. What purpose to spend an hour with the Violet Flame, and then 12 hours feeding discord into a planet sick unto death with unhappiness.

Your goal is perfection! Your standard of conduct should be perfection! Your Masters express only perfection! Your Presence *is* perfection! You want to be *perfection* in action, as quickly as possible! Why not start now? Measure your every thought, word and deed against perfection, and if it doess not meet that test, discard it IMMEDIATELY BEFORE USING. Do not release it into the world! Why work for hours consuming distress and then in every idle moment generate its cause again!

KUTHUMI

I am grateful indeed that your souls and spirits choose to warm themselves in the Fire of My Own Being, for contagion of enthusiasm and shared vision bring to Us, through the "faithful open doors of consciousness," fulfillment! We stand in a realm into which We have voluntarily stepped, renouncing by so doing the right to act in the spheres below Us except in agreement with the impersonal radiation that flows, like the light of the Sun. To this We contribute for the general nourishment of the race and the specific germination of Our ideas and plans into such receptive

consciousnesses as may, from time to time, magnetize the "floating particles" that permeate the lower atmosphere. These are, in essence, the plans and ideas of The Brotherhood. We rely, therefore, on the natural interests of men and women—and sometimes children—to magnetize Our particular ideas out of the atmosphere of earth and, if they are sensistive and determined enough, they sometimes follow that idea through to a good manifestation. However, these ideas can also become "playthings" for the idle mind if one has not the determination to give them the time and attention necessary for their fulfillment.

PAUL, THE VENETIAN

I commend you individually. I am called by the Sons and Daughters of Heaven, in a jesting manner, "My Brother's Keeper" for once, long ago, when that question was asked, I, within Myself, answered silently in the affirmative and said with deep, sincere feeling, "Yes, I am My Brother's Keeper." All through the long ages, I have remembered that Inner vow, made to no man, but to the Flame of God within My heart, I have endeavored in My Service to the mankind of earth to remember always that the heart motive within My Brother deserved at least the silence of myself that I might understand and, hearing that heart beat, respond in a manner to give Freedom and assistance to the Flame. that is endeavoring to pour through the soul and fulfill its Divine Plan. Have you heard the song of the Unfed Flame in the heart of your friends and associates, your family, your loved ones, your fellow-workers in this magnificent Cause?

It is a beautiful thing to become still enough first to hear your own heartbeat; to feel the Power within that Unfed Flame; to know It as the most magnificent, majestic, transcendent, triumphant, victorious power in the universe. . . in fact the *only power* that can act, or would act, except for your dear misguided qualification.

SERAPIS BEY

Now we are coming consciously again to the melting of the veil through the use of the Sacred Fire. We can melt it and dissolve it day after day, year after year, and century after century, but unless We can stop the creative centers within man's feeling body and his thought world from re-spinning the cocoon in which he sleeps, We accomplish nothing of lasting value. As the elementals at night clear the air from the dust and unpleasantness of the day's life, and give you the morning freshness with the dew-tipped grasses, so do those Beings in the Mercy Temple and the Temples of the Sacred Fire melt that human veil constantly, and

yet even among the "elect" there is that constant generation of the human effluvia, which is the veil that blots out the Consciousness of the Divinity.

HILARION

The God life of the Universe created these lower vehicles to express a Divine Plan and when the individual will return the *government* to the God Self within, he will find that this constant battle and turmoil will cease. Instead of each individual's world being an *ARENA* with these lower bodies seeking to secure one's attention and energy, the individual's consciousness will become an outpouring of God's Will.

JESUS

Energy takes on *quality* through the conscious direction of the feelings of the individual.

Energy, which is light substance animated by the Holy Spirit, is the primal essence from which all draw without limit.

From the Flame, there is constantly pulsating into the Universe, the energy of Life and the *quality imposed* upon that energy becomes the *responsibility* of the individual.

Much has been written on the Law of Love, which is the cohesive power of the Universe. It is the magnet of attraction drawing all toward the center, generating and pouring forth the Flame of Love.

Love is the Keynote of the Universe and the keynote of every lifestream. When you consciously attune yourself to the Presence of Love and quicken the action of your inner bodies until they become conductors for the Flaming Substance of Divine Love, you will find the very substance of earth drawn toward you for a blessing.

SAINT GERMAIN

All of the mankind of earth must one day measure the Word of God by the light of their own hearts and the intelligence within their consciousness, and We shall endeavor ever to assist you to remember to fear no man. Doubt and uncertainty arise from fear, and all of these qualities melt when you can remain in the calm poise of your own God Flame and say to all life, not in sentimental, emotional, and spasmodic spurts, but constantly, silently, or when necessary, audibly, "I love you." . . . whether it is the individuals with whom you serve; whether it is your service to life in the business world; whether it is the inanimate objects by which your service is performed; or whether it is your own household.

Love is the most marvelous alchemy in the world. You can keep yourself free from so many of these tensions that build if you love your service and let it happily flow forth to accomplishment. Beloved friends, *I love you*—each and every one— and as you will one day stand free, arms outstretched, hearts upraised, souls purified, you will know I have spoken God's Truth to you!

THE HEALING CHALICE

The Christ Consciousness of Healing is the activity of Divine compassion, mercy and forgiveness, and those Divine qualities are vested in the bountiful and beautiful hearts of those sweet Sons and Daughters of Heaven Who willingly have answered the prayers flowing constantly from the sick, the weary and the distressed among the wayfarers on this dark star.

To the people in the Western Hemisphere, perhaps the best known and loveliest of these compassionate Ones is the lovely Mary, the Beloved Mother of the Master Jesus.

In the Eastern Hemisphere, the acknowledged Goddess of Mercy and Compassion is the Beloved Kwan Yin.

Gathered about Their Courts and Temples are legions of lovely Spirits, Angelic Beings, and Masters of Light and Love, each a ministering Presence of healing and comfort, Who draw into these Temples the ever-flowing essence of well being and perfection from God's heart, dispensing it in answer to calls and prayers from the children of earth. . . . . .

Calling unto Me, Thy Father-Mother God, thou dost receive the gentle ministrations of My Comforters. 'Tis They who gather the prayers from thy hearts and bear them upward into My Presence, for many of these petitions and calls are too frail, timid, and uncertain to find their way alone beyond the aura of the individual from whose heart they arise.

Within thine own Heart abides My Threefold Flame of Eternal Truth, which, really, gives that heart the rhythm and energy of beating. Thy healing, thy happiness and thy peace abide within the Flaming Center of My Being, focused within thy heart. Thou hast forgotten My Presence there and so thou hast denied thy Father-Mother God the right, the authority and the power to sustain thee in the sweetness of thine own perfectioon as thou wert once conceived. We abide in patience until the magnetic love within Our Hearts through the ministrations of Our Heavenly Helpers, draw thee at last, along the Path of Light that leads thee Home. Blessed are the Wayshowers.

Blessed forever are those whose energies are spent in binding the wounds, soothing thy fevered brow and encouraging the fainting spirit.

Let the Healing Angels and Cherubim abide with thee; minister unto thee and through the compassion and mercy of the Hearts of Heaven, let the Christ be NOW reborn in thee, and be the Master Presence in full command forever!

Excerpts from an Address by BELOVED EL MORYA on the Court of King Arthur

(*Continued from page* 9)

nature is such that I would, with one wave of the hand, reveal the fullness of the glory of the future, for the sake of the individual soul, I hold My patience lest you, (seeing more and abiding in the conscious knowledge of what is to be done) did not, by reason of your personal weaknesses, assist in its accomplishment, the responsibility of revealing to you the part you might play would be too great for Me, in Love, to take upon My shoulders.

Little by little, according to the use of your energies, am I willing to bring to you the design and plan of the Father, and the Brothers for His Kingdom.

The tremendous assemblage at Darjeeling both startled and amazed Us, as this is the first time We have opened the doors of this Council to the mass of mankind. Millions of souls came whose heart prayer in the quiet of the night is *know* the Will of God for this war-torn world, as well as for their individual peace and security, drew them like moths to the flame. The gentlest prayer to know His Will is the magnet that draws the soul to that Spiritual Intelligence Who can reveal that Will.

In this is great hope, because in the extremity of earth's present chaotic shadows, thousands and thousands of constructive lifestreams are kneeling before the Altar of their own Christ, or whatsoever name they choose to call Him, and asking that the revelation of the Will of God come to the great, to the leaders, to those who are responsible for the control of the masses. All of that is energy in My hand, at My fingertips, and these people SHALL know the Will of God! They *shall know* the Truth through those who are presently in positions of authority, and they *shall know* It through those who are humble and seemingly without authority, for the call from the Heart of Life cannot be denied. It causes rejoicing in the Heart of Heaven Itself that man seeks God's Will this day!

Last evening before the meeting, My Beloved Guru, the Maha Sahib, came to Me and, placing His Arm around My shoulder, He said: "Son, since I have taken this Office I have never seen such a response from unascended beings in desiring to know God's Will, and I shall give all the strength of My position to You in fulfilling it!" Words from the Maha Sahib *that you take so lightly,* fill *Our* Hearts with reverence, and We carry them as you would carry the most precious elixir that would give to you the fulness of everything that you desire. Would you believe it that over and over in this last twenty-four hour period, I have repeated to Myself those words?

Oh, beloved children of earth, would that you might come to an understanding of the precious gift of the words of the Maha Chohan Who for years has poured out a ceaseless, unending, constant stream of His energies on your behalf—energies that He might have invested cosmically but which He invested through Love that your souls might know light and your hearts know happinesss!

I thank you, beloved friends ,for the opportunity of speaking with you, of joining you and sharing in the communion of the blending of your Spiritual natures. May the time come soon when the veil within your own consciousness is parted and you have the doubtful joy of looking upon My physical presence! I THANK YOU.

BELOVED MASTER MORYA

Master Morya, we thank You for all that you do
In the raising of mankind of earth;
Blazing forth Your Light Rays thru the hearts of the few
Dedicating their souls to rebirth.
Let us ever draw forth from the Presence above
The God Light that illumines all men,
So they see the good works of the Father of Love—
And the Masters walk with us again.

Master Morya, our hearts are o'erflowing with Love
For the Light and the Truth that You bring—
Teach us ever to live in the Presence above
That through us all the Angels may sing.
Let us all understand and ever expand
The knowledge of God's Sacred Fire,
That the earth may be raised to her place in the Sun
In fulfillment of Thy great Desire.

Master Morya, we bless You for being the one
To assist our Beloved Saint Germain;
To expand His Great Work as before You have done—
And to raise us again and again.
Thou art always adored, Thou Great Cosmic Lord!
Stand forth now to our visible sight—
That we all may be bathed in the Light from Your heart
Dedicated as Guardians of Light!

(Can be sung to the tune of "Believe Me If All Those Endearing Young Charms.")

THE LORDS OF KARMA

(Concluded from October and November, 1953)

The Master Kuthumi, if not present himself, always has a pupil present, and He claims almost all those who pass from the body in youth. The Master Morya asks for those who have been active in governmental affairs—even if they have seemingly failed in their tasks. The Master, Paul, the Venetain, asks for those who have worked on His Ray in endeavoring to bring or sustain Peace and Brotherhood—Serapis Bey speaks for the artists, the musicians, the architects, engineers, and builders of beautiful temples, cathedrals, cities, etc.—Hilarion speaks for the doctors, the scientists, the nurses—Jesus for those who have served Him well in the orthodox channels—and Saint Germain for the particular lifestreams who consciously or unconsciously have forwarded the cause of freedom, either from political, religious or mental and physical bondage. Thus it is well to have at least a passing acquaintance with these Beloved Brothers, so that when you stand before The Board, They may say—"this child has served me well."

Oft-times, the lifestreams of those who have been benefited by the soul in life are called in to speak for them, in witness, and even members of the four-footed kingdom—and all of this is taken into account. Seldom does a soul arrive before the Judgment Board who does not have at least one lifestream that has benefited in some way by reason of its embodiment.

After the soul is judged, and his light measured, he is taken to Some one of the Seven Spheres and here, under the direction of Beings particularly prepared to teach him, he unfolds in understanding, until his guardian signifies to the Karmic Board that such an one is again ready for an opportunity to re-incarnate.

As there are about ten billion souls belonging to the evolution, and the accumulation of each is such that only one-third are allowed on the planet at a time, lest the axis of the earth would not be able to hold the weight of such a human accumulation, it takes some time to secure the right to reembody, and the potential worth of the soul is taken into consideration by the Lords of Karma in deciding which one out of each three shall be afforded the privilege. The guardians of the race and the highly evolved, usually forego their sojourn in the higher realms in order to "hurry back" to help the race and they are always passed first by the Karmic Board. This sometimes accounts for the lack of physical energy in this embodiment because they have foregone the period of rest in the Higher Spheres which replenishes the inner bodies and refreshes the spirit, in the same manner that a good night's sleep rests the individual while in incarnation.

After the Karmic Board has agreed to provide an opportunity for re-incarnation, there comes the period in which the karma of the individual to incarnate must be examined, and a suitable incarnation prepared wherein a certain proportion of that karma may be worked out and certain opportunities given to right wrongs

of past lives and gain merit and momentum of good for the causal body. How very carefully is the amount of karmic energy meted out, so that there is not more for the individual to meet in the forthcoming life than his light and strength can master! The saying, "The Lord prepares the back for the burden" is fundamentally true, except it was that the "back" and not the Lord *earned* the burden, but the Lord, in His Mercy, "lightened the pack."

When the karma has been allotted, the environment and race chosen, the parents decided upon, then the soul is notified, and the body elemental called from the rest it has secured in its own realms. The soul and elemental are told of the forthcoming embodiment, the body elemental shown the etheric pattern of the body the soul has earned (which it often dislikes tremendously) and then the builders of form, the Christ Self and the elemental begin to prepare for the incarnation, and through the same Halls of Karma passes the incarnating soul into embodiment again.

It is hoped that with the dispensations being granted from the Central Sun and with the tremendous contribution of voluntary energies from members of the human race, that the Halls of Karma will soon be the Portals for Freedom for every member of our race, and that as the very last lifestream passes through "to return no more" the doors of the Judgment Hall may be closed for eternity, and the Great Recording Angels, sealing the door, say, with Jesus "It is finished . . . . Father, into Thy Hands we commit our evolution, and not one but has been saved."

THE WILL OF GOD

The Will of God is GOOD!
To Heaven it opens the door
It satisfies all the soul's longing for comfort—
Makes ALL their God Presence adore!

The Will of God is plain!
It's easy God's Plan to fulfill;
Whatever is lovely, sincere, pure and joyous
These ALWAYS bring Heaven's good will!

The Will of God is POWER!
Blest Morya embodies it all;
Stands ready and willing GOD'S WILL to reveal
To any and all who will call.

(Reverently) —

O! Morya, dear Morya, we bow
Before God's Own Will which Thou art;
O! love us and teach us and raise us until
Ascended! We're free in God's Heart!

(Hymn Tune: "Blest Be the Tie That Binds.")

WINGS OF LIGHT

V. F. Angelday

"I'll do as I please!" wilfully shouted a small child to an elder member of the household, whereupon the elder replied "My child, you shall do as you please in *this* house, ONLY so long as you PLEASE TO DO RIGHT!" How wise was that correction and, surprisingly enough, the child accepted it! Now, let us ask—*"WHAT IS RIGHT?"* You may say, "What is right for one, is not right for another." True, in some instances perhaps, but on the whole, whatever agrees with "The Golden Rule"—"Do unto others as you would have others do unto you" is ALWAYS RIGHT!

What is God's Will? God's will is GOOD WILL TO ALL—the highest GOOD FOR ALL because all that lives, animate and inanimate, is a part of Gods' Life. When one expands kindness, peace, comfort, happiness, generosity, forgiveness—in fact any or all of the God qualities—that one is DOING GOD'S WILL. No individual lives unto himself alone. Sometimes folks say "I am not harming anyone but myself." That is NOT TRUE—all life is ONE and what harms one harms all. One cell in the body cannot isolate itself and live, for if it SHOULD so cut itself off, it would die. So it is with people—no one can successfully isolate himself from life—or he would instantly cease to be. Do you see? Therefore what blesses one part of life blesses all. When a single individual gains self-control over even a part of his world, that benefits all life to a certain extent and if one should allow himself to be distressed for any reason whatsoever (the cause matters not), ALL life is affected to a certain extent.

God created the Reality of man from the Essence of Himself—therefore He intended man to live like Him—to emulate His goodness and almighty perfection, sustain and expand It in the universe so there would be *more* of GOD IN ACTION everywhere. Each creation (so far as man himself is concerned) was given free-will like God Himself—given an opportunity to expand greater and greater God-likeness in the universe.

Now if this Plan is so lovely and perfect—giving to Its creation EVERYTHING that creation could possibly desire for its happiness—WHY DOES MAN RESIST GOD'S WILL? The real truth of the matter is that HE DOES NOT! The REAL man—the Life and Light in the Immortal Flame of Truth within each heart—DOES NOT resist or fear God's will. That which fears and tries to defy that will is the unfortunate accumulation of substance discordantly qualified by the thoughts and feelings of the outer mind which KNOWS, mind you, (because it is intelligent) that its existence in the Universe is NOT GOD'S WILL and it knows that it MUST cease to be when its creator accepts the Will of God—ALL GOOD—as its birthright.

One of the Great Ones has said "There is really no such thing as failure in the Universe—there is only delay!" All came forth FROM God and all shall return TO HIM one day—but mankind by that very free-will and power of God with which he is endowed, can HASTEN the day of fulfillment of the Divine plan by his conscious determined efforts to improve himself and bring "Good-will to men" everywhere he goes. I call legions of Angels of Cosmic Christ Accomplishment to surround, protect, illumine and supply all who wish to live this way . . . God's Way! So be it!

HEALING CONTEMPLATIONS AND DECREES

The Omnipresent Light of God's Love, which is my life, is now my instant healing from all afflictions and distress.

The realization of the Presence of God within my heart is now my instantaneous healing, protection, illumination and supply!

GOD'S WILL

I once saw a bush, all brilliant with dew,
And bursting with blossoms, as some bushes do;
It stood there serene in its green and its white
Successful in being a heavenly sight.

Not asking a thing—just grateful to live—
Devoted completely to what it could give;
Exquisite in beauty, exceeding in grace,
How peaceful and perfect it fitted its place!

Midst the friend and the foe, it seemed only to know
But to live and to give and continue to grow.
The longer I looked, the more I thought,
For I could see now, the miracle wrought.

It lived and expanded the light in its heart,
Not ever once trying to be some other part;
It followed His plan, His Purpose, His Will,
It made me think how *my* plan I could fulfill.

That sweet, harmless bush understands concentration,
And lovingly obeys the plan of creation;
While man, with God's Love and God's Flame in his heart—
Tries to live for himself and be something apart.

Not my Will be done O Father above—
But Thine, as the bush, forever, in Love!
